RE: FEC Acct # C00223073

Dear Mr. Ragan:

Enclosed is an amended report for the 20 day pre-primary report dated 8/30/98, filed 8/31/98.  
Corrections are as follows:

- 1) A donation of \$10,000.00 to the Victory 98 Federal Account was originally reported as an operating expense and included on line 17 of FEC Form 3. This transaction is now transferred to line 21.
- 2) An In-kind contribution of \$163.08 to the Brad Lyons for Congress campaign was inadvertently overlooked and not reported on the original report. Because this was an in-kind contribution, it did not affect our cash flow and has no effect on FEC Form 3. It is shown on the enclosed Schedule B for line 21.

The above two transactions have no financial or mathematic effect on the report as a whole, other than the repositioning of item 1 above.

- 3) At the time of filing we did not have employment information on two of the \$200+ donors. Both were noted as "Requested". Since then we have received the following information on Richard Chatfield:

Employer: Renal Ventures management, LLC  
Golden, CO. 80401  
Position: C.E.O.

I hope this letter and the attached documents satisfy filing requirements. If you have any questions, please contact me.

Sincerely,

Bill Dubay  
Campaign Treasurer
